If you select Marketing, Complete **TWO** of the following tasks:

1. Marketing Script

- Prepare a marketing script for any event of your choice.
- The script should be suitable for class-to-class.
- Keep it engaging and convincing ,not just an announcement.

2. Pitching Task

- Record a 1–2 minute video pitching the same event.
- Pitch it as if you're convincing students to attend the event.
- Focus on your confidence, communication, creativity, and ability to attract people.

TASKS FOR DOCUMENTATION

If you select Documentation, pick **TWO** of the following tasks:

(Note: Formatting requirements for all documentation tasks — Font: Times New Roman, Size: 12, Line Spacing: 1.5)

1. Draft a permission letter to conduct Skill Quest on 6 February 2026, 10:00 AM – 4:00 PM, at Nalanda Auditorium.
2. Draft a professional email inviting an industry guest speaker for Skill Quest.
3. Prepare a one-page post-event report on Skill Quest.

Event Details:

- Event: Skill Quest
- Date: 6 February 2026
- Time: 10:00 AM – 4:00 PM
- Venue: Nalanda Auditorium
- Organizers: Aarna Club (The Freelancing Club of VBIT) in association with the Department of Computer Science and Business Systems (CSBS) Reference: <https://vbithyd.ac.in/event/skill-quest/>

TASKS FOR PRODUCTION

If you select Production , Complete **TWO** of the following tasks:

1. Budget Requisition Letter

Draft a budget requisition letter requesting an allocation of **₹5,000** for conducting **Skill Quest**.

Include:

- Itemized budget breakdown
- Purpose and justification for each expense
- Benefits to students (skill development and industry exposure)
- Formal institutional format

2. Event Planning & Execution Plan

Prepare a detailed execution plan for conducting a one-day Skill Quest event with a budget of **₹5,000**.

Event timeline from preparation to completion
List of required materials and resources
Responsibilities of the production team
Venue setup and arrangements
Contingency plan for unexpected issues
Expected outcome of the event.

TASKS FOR DESIGNING

General Instructions

1. Pick any **TWO tasks** given below.
2. Create original designs. You may use Canva, Figma, Photoshop, Illustrator, or any other design software.
3. Maintain a consistent visual identity across all three designs.
4. Focus on creativity, typography, colour selection, alignment, hierarchy, and overall aesthetics.
5. Do not use ready-made templates without significant customization.
6. Check all designs carefully for spelling and grammar errors.
7. Submit the editable/source file along with the final exported designs.
8. AI tools may be used for assistance, but the final design and creative decisions should be your own.

Tasks

Task 1 - Skill Quest Promotional Poster Create a main promotional poster for the upcoming Skill Quest, a skill-based event designed to encourage students to showcase their technical knowledge, creativity, problem-solving abilities, and practical skills. Theme: “Challenge Your Skills. Discover Your Potential.”

Note: The poster should be creative, visually engaging, and original, with a strong concept that reflects the theme of the event.

Task 2 - OC Team Introduction Create an Instagram team introduction post introducing the new Organizing Committee members. The design should showcase the team in a professional, creative, and visually engaging way while establishing a consistent identity for the committee.

Note: The post should be creative, clean, and suitable for official Instagram promotion.

Task 3 -Participation Certificate Create a participation certificate for the upcoming Skill Quest to be awarded to students who participate in the event. The certificate should have a professional, formal, and visually appealing appearance suitable for both digital sharing and printing.

Note: Maintain a clear hierarchy, proper alignment, and professional certificate aesthetics.

Submission Instructions

1. Submit any pick designs in PNG/JPG or PDF format.
2. Submit editable/source files URL wherever applicable.

Don't just make it look good — make it communicate.

TASKS FOR HOSPITALITY

If you select Hospitality , Pick any **TWO** of the following tasks:

1. How would you handle a situation where a faculty member disagrees with your event plan and asks you to make significant changes just before the event?
2. How would you distribute duties among team members when several event activities need to be handled at the same time?
3. What would you do if you noticed that the event venue was overcrowded and the existing arrangement could create a safety risk?

TASKS FOR TECHNICAL

If you select Technical , Pick any **TWO** of the following tasks:

1. CSS Grid Create a simple webpage using HTML and **CSS Grid containing 6 images** arranged in a 3×2 grid. Use appropriate CSS properties to properly align and space the images.

2. Programming – **Dynamic Calculator Design** and implement a dynamic calculator that performs basic arithmetic operations. The calculator should accept two numbers, allow the user to select an operation, and display the result. Preferred language: Python or C

3. Git, GitHub & APIs

A. Git & GitHub: What is Git and GitHub? Explain any three different Git commands.

B. APIs: What are APIs and why are they used? How does an API work in simple terms?

TASKS FOR SPONSORSHIP

If you select Sponsorship , Pick any **TWO** of the following tasks:

1. Write a **Professional WhatsApp/Instagram/Email message** to a company requesting sponsorship for an Aarna event.
2. Aarna needs sponsorship for an upcoming event. Create **3 sponsorship packages: ₹5,000, ₹10,000 and ₹20,000**. Decide what benefits we should give each sponsor and how would you differentiate the work.
3. Find **3 potential sponsors** and why they fit Aarna.

TASKS FOR SMP (Social Media Promotions)

If you select Smp , Pick any **TWO** of the following tasks:

1 -Reel Creation

Create a **30–45 sec Instagram Reel** promoting AARNA with a creative hook, VBIT campus shots, and CTA. (Call To Action)

2 - Event Promotion

Create a **simple 5-day promotion plan** for an AARNA event using Instagram, WhatsApp, and offline marketing.

3 - Creative Campaign

Create a campaign around **“Turn Your Skill Into an Opportunity”** with a tagline, reel idea, caption, and CTA.
